Please know that there is no lifeguard on duty at any time in the pool or hot tubs, use of these facilities are at your own risk. Spas can reach a very high temperature; it is not recommended that small children use the spas.

Pay close attention to any posted signs and familiarize yourself with your surroundings. If you have any questions about our beaches, please feel free to speak with the Front Desk or Concierge.

OUR ENVIRONMENT

You are visiting one of the most beautiful areas on the Baja Peninsula and we hope you are enjoying each moment of your stay. The very features that make this area such a wonderful place can also cause some challenges unless you know how to prevent them. The following are some suggestions to make your stay comfortable:

Hurricanes

Cabo San Lucas enjoys wonderful weather for most of the year; however, it is also prone to hurricanes which can be quite dangerous for the safety of our guests and residents. Please be sure to follow the direction of Resort Management should the area be placed under a hurricane watch.

It is strongly advised that all non-residents leave Cabo San Lucas immediately at the first sign of hurricane warning. Please understand that the Resort does not have facilities to house guests during hurricane weather, and all local shelters are for the use of residents only. Resort Management will communicate with all guests as to proper procedures should the threat of a hurricane be imminent.

Sun and Temperature

While we enjoy watching our guests relax and enjoy all that the outdoors has to offer, we caution guests to remember that the sun is very powerful in Mexico. We highly recommend you wear sunscreen and continue to reapply it any time you leave your Villa during the day.

EMERGENCY

Because your safety is our first priority, Sirena del Mar by Welk Resorts is equipped with the most updated fire protection systems. We ask that you please be prepared. Know the location of stairway exits and fire alarms.

In the event of an emergency, Resort Personnel may be contacted by dialing 0.

IN CASE OF FIRE, DO NOT USE THE ELEVATORS.

SMOKING

To maintain the beauty of our surroundings and the health of our guests, Sirena del Mar is a smoke-free Resort. Please respect the other owners and guests and refrain from smoking on the property. A fee of \$300 will be assessed if signs of smoking are detected in your Villa.
